Professor Heo is a public law professor at Seoul National University Law School. He teaches administrative law, environmental law, and law and economics. He received his Ph. D. in law and L.L.M. degree from Seoul National University Graduate School of Law, and he received his bachelor's degree in economics from Seoul National University Economics Department.

He is interested in the research topics of economic regulation with the analytic tools of economics. Recently, he is mostly interested in the field of climate change law, energy law, food safety law, and IT & privacy law. He also participated in the process of framing the Green Growth Act and the Emission Trade Act in Korea.

Before joining the SNU Law School as a faculty member in 2006, he served as a judge of Seoul Central District Court in Korea. He was a presiding judge of specialized panel for the intellectual property law cases in the Seoul Central District Court from 2005 to 2006.

He stayed as a visiting scholar at Stanford University Asia Pacific Research Center in U.S. from Aug. 2010 to Aug. 2011. He also stayed at Munich University College of Law in Germany from Dec. 2009 to Feb. 2010.

He is currently a board member of the Korean Public Law Association, the Korean Environmental Law Association, the Korean Law and Economics Association, and the Korean Regulation Law Association. He is also the chief-editor of the Korean Journal of Law and Economics.
